Upon approval, the Committee shall mark each set approved, return one (1) set to the applicant, and retain one (1) set for the records of the Committee. In the event the Committee fails to approve or disapprove such plans and documents in writing within thirty (30) days after actual receipt of the request for approval, such plans and documents shall be deemed approved insofar as the requested improvement is not otherwise prohibited by the Covenants. Failure to reject the requested plan shall not be deemed a waiver of any covenant contained herein and the requesting party must comply with all these covenants, otherwise construction, once approved, must commence within one hundred-eighty (180) days of approval; if not, the approval granted will be void. Deposit in the mail of any rejections within thirty (30) days of the actual receipt of the request shall be deemed timely. If the person requesting approval by the Committee provides a facsimile number, approval or denial of the request may be delivered by facsimile.

During the period that Declarant owns any lot, the Committee shall be appointed by Declarant; the initial Committee shall be composed of minimum of three persons. Declarant may appoint additional members to the Committee. In the event of resignation or removal of any member of the Committee while Declarant owns any lot, Declarant shall appoint a successor to fill the vacancy on the Committee. Declarant may, at Declarant's sole choice, assign Declarant's right to appoint members to the Committee created in this Article 2 to the Board of Directors of the Association or to a successor Declarant. If Declarant assigns its right to appoint members of the Committee, the Committee shall consist of three (3) members. The person or entity empowered to appoint members to the Committee is also empowered to remove and replace members of the Committee. When Declarant and any successor or substitute Declarant no longer owns any lot within the subdivision or annexed subdivisions, the power to appoint members of the Committee shall be vested in the Board of Directors of the Association.

The Committee shall have the express authority to perform fact finding functions hereunder and shall have the power to construe and interpret any covenant herein that may be vague, indefinite, uncertain or capable of more than one construction or interpretation. The Committee shall have the authority to determine and publish reasonable standards for materials, colors, and design for improvements from time to time, as the Committee sees fit. The Committee shall have the authority to designate one or more members of the Committee to respond on behalf of the entire Committee.

Members of said Committee and their representatives shall not be liable to any person subject to, possessing or claiming the benefits of the Restrictive Covenants for any damage or injury to property or for damage or loss arising out of their acts or failure to act hereunder, it being understood and agreed that any remedy be restricted to injunctive relief and no other. The members of the Committee shall not be entitled to any compensation for services rendered pursuant to this Covenant. will cause no harm to neighboring properties. All improvements are constructed at the sole risk of the Lot Owner.

If the Committee determines that the complexity of a request for architectural approval so warrants, the Committee may retain an architect and/or engineer for assistance and advice; in this event, the reasonable costs of such architect and/or engineer shall be paid by the party requesting architectural approval.

The initial mailing address of the Committee is P.O. Box 2457, Rockport, Texas 78381. The mailing address may be changed by recording notice of change of address in the Office of the County Clerk in Aransas County, Texas.

Such waiver shall not alleviate the requirements of any building code or governmental regulation, shall be applied to each specific situation, and shall not be deemed a waiver of any future enforcement. No waiver shall be effective unless the appropriate governmental authority, if any, approves an applicable variance.

All dwellings, fences, walls, water wells, septic systems, and other approved structures must be kept in good state of operation, paint and repair, and must be maintained at the cost of the homeowner so as not to become unsightly.

In addition to rights, powers, and remedies granted by law, in the event of default on the part of the owner or occupant of any lot in observing the requirements set out in Articles 1 through 21 above, or any of them, and the continuation of such after ten (10) days written notice from the hereinafter named Association of the existence of such default, said Association, upon approval by the Board of Directors, may enter upon said lot through its agents, without liability to the owner or occupant in trespass or otherwise, and cause to be done any work or other thing

The owner or occupant of each lot agrees, by the purchase or occupation of the lot, to reimburse the Association immediately upon receipt of a statement covering the cost of any such work or thing. In the event of failure to pay such statement, the amount thereof and any attorneys fees and court costs shall be added to the annual maintenance charge assessed by the Association against such lot and become a charge thereon and be collected in the same manner as the regular annual maintenance charge provided for in these restrictions.

## **ARTICLE 22. MAINTENANCE ASSOCIATION, MAINTENANCE CHARGE, AND SPECIAL ASSESSMENTS**

The Association shall have the power of (1) assessing and collecting the annual maintenance charge specified herein, (2) managing Association funds, arranging for the performance of the services contemplated, and making payment therefore out of said funds, (3) the establishment and enforcement of rules and regulations affecting the operation, use, and enjoyment of common area facilities, (4) acquisition and use of personal property, (5) collection of assessments, (6) maintenance of rights-of-way within, or adjacent to the subdivision, and (7) the general operation of the business of the Association. In this regard, said Association shall also have all the powers granted by the Texas Non-Profit Corporation Act.

Each residential lot in the aforementioned subdivision is hereby made subject to an annual maintenance charge for the purpose of creating a subdivision Maintenance and Improvement Fund to operate and manage the Association authorized herein, along with one or more reserve funds. As to each lot, such maintenance charge shall be due and payable at closing, and thereafter paid in accordance with this Declaration. The initial annual maintenance charge period shall be the remaining portion of the particular calendar year in which the aforesaid notice is given by the Association commencing with such notice date. Thereafter the maintenance charge shall be assessed annually against each lot as of January 1<sup>st</sup> of each succeeding calendar year to cover the full calendar year commencing with the particular annual maintenance charge date. A statement reflecting the amount of annual maintenance charge with respect to each lot shall be mailed or otherwise delivered to each lot owner as soon as practical after each annual maintenance charge date. The amount of each annual maintenance charge shall be paid by the owner of each lot (or the holder of the mortgage on such lot, if applicable) to the Association in advance of January 1 of each year, or within fifteen (15) days after the statement covering such annual maintenance charge has been mailed or otherwise delivered to the Lot Owner (or the holder of the mortgage on such lot, if applicable), whichever last occurs. Upon resolution by the Board of Directors, the annual maintenance charge may be payable in two installments, one payable on the 1<sup>st</sup> day of January and one payable on the 1<sup>st</sup> day of July 1 each year, each payment being one-half of the annual maintenance charge for each fiscal year. Any maintenance charge assessed hereunder and not paid when due shall bear interest from the date due until paid at the rate of ten percent (10%) per annum.

The maximum allowable annual maintenance charge on each residential lot from and after the date such charge is first assessable against such lot shall be as follows;

(a) For any assessable period within the calendar year \_\_\_\_\_, the maximum allowable annual maintenance charge on each lot subject to these Restrictions shall be the sum of One Hundred Dollars (\$100.00) per acre or any portion of an acre rounded to two decimal points.

(b) For any assessable period within the calendar years next succeeding the calendar year 2014, the maximum allowable annual maintenance charge for each particular calendar year shall be calculated and determined as follows: **The amount of One Hundred Twenty Two and Eighty Six Cents (\$122.86) per acre increased at the rate of four percent (4%) per year, compounded annually from the date of January 1, 2015. (This is an amendment by the Declarant, and presented at the 2015 POA meeting for correction and clarification as outlined in Article 27 paragraph two. Change was discussed with all participants present, and approved)**

**Lots in Phase III will be added to the subdivision as they are sold or as added by the Declarant. POA dues for Phase III lots 33 through 46 will Increase as of 5-1-2018 to \$500.00 per lot per year with an annual Increase of 4% per year.**

(c) If any lot shall be subject to the aforesaid maintenance charge for less than a full calendar year, then the annual maintenance charge for any such partial year shall be calculated on a pro rata basis.

(d) The foregoing notwithstanding, it is specially provided that so long as any lot is both owned by Declarant and does not have a dwelling thereon which is substantially completed and ready for occupancy, the annual maintenance charge applicable to such lot shall be one-fourth of the annual maintenance charge then assessed under the foregoing provisions.

In recognition of the possibility that it may be desirable that the Association be able to levy special assessment from time to time by action of the Board of Directors of the Association for the purpose of defraying all or part of the cost of any construction, repair or replacement of capital improvements upon any common area currently owned, or which may be annexed hereunder and which is dedicated for the use and benefit of the members of the Association (including fixtures and personal property related thereto), the following described procedure is hereby established for imposing any special assessment for such capital improvements, to-wit:

(1) A special meeting of all members of the Association shall be called in accordance with all regular requirements for a special meeting of the members, provided that written notice of any such meeting shall be given to all members specifying that the purpose of the meeting is to vote on a proposed special assessment for defraying the cost of proposed capital improvements (which are to be generally described in the notice), and further provided that such notice shall be sent to all members not less than thirty (30) nor more than sixty (60) days prior to the date of such meeting.

(2) The first special meeting of the members called for the purpose of approving the levy of a particular special assessment shall require the presence at the meeting (either by person or by proxy) of members entitled to cast at least sixty seven percent (67%) of all votes of each class of membership in the Association in order to constitute a quorum for valid action. If the required quorum is not present at such first called meeting, another special meeting may be called with

respect to that particular special assessment, subject to the same notice requirement and the required quorum as at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

(3) At least sixty seven percent (67%) of a valid quorum of votes of each membership presented at the meeting (either in person or by proxy) must have voted in favor of any special assessment for capital improvements before such special assessment will be effective.

The services or things which may be furnished and paid for by the Association out of the Maintenance Fund include the acquisitions and operations of common area property, if any, for recreational or other purposes and the construction, installation, operation, maintenance, repair, and replacement of any facilities or improvements placed thereon (subject to the limitations herein set forth with respect to expenditures for such purposes), street lighting, trash removal, grass, trees, monuments (whether located within Coastal Wild Wood subdivision or located on rights-of-way at the entrance of Coastal Wild Wood subdivision ), and other landscaping or decorative improvements on any common area, easement granted for benefit of the Association, or any neighboring rights-of-way, fogging for insect control, paying legal and other expenses for enforcement of the provisions of these Restrictions, paying all taxes assessed against the Association's property, and any and all other services or things which the Board of Directors shall deem necessary or desirable for the maintenance and improvement of the aforementioned subdivision, it being expressly provided that the Association shall not be limited to the particular items set forth above, nor shall the Association be required to furnish and pay for any of said particular items. Also, the Association shall be under no obligation to continue to furnish and pay for any particular service or thing after the commencement thereof. The Association shall provide liability insurance for all directors and shall indemnify officers and directors for uninsured losses relating to acts as directors except for criminal acts.

The proceeds of the maintenance charge provided for herein shall not be used to reimburse Declarant or its successors in interest for any capital expenditure incurred by Declarant in the construction of or other improvements to common area recreational facilities, monuments or landscape, if any, situated within or outside the boundaries of the subdivision. Any expenses or operation or maintenance of such facilities which have been installed by Declarant shall not be paid for with maintenance charge proceeds prior to the conveyance of such facilities, fully completed, and unencumbered to the Association, unless such payment is with the approval and consent of the Federal Housing Administration or the Department of Veterans Affairs, if subdivision approval has been requested and granted by such agencies.

The Association shall be authorized under its Articles of Incorporation to also provide maintenance services similar to those contemplated herein for the benefit of subsequently developed residential subdivision areas in which the lots are made subject to deed Restrictions providing for the establishment of a maintenance charge uniform with that specified herein and which are otherwise substantially the same as these Restrictions, provided such subdivision areas are duly annexed as provided herein.

The Association shall be authorized under its Articles of Incorporation to charge individual property owners for repair or upkeep of property in neglect (mowing, trimming, fence repair,

etc.) and to secure contractors to perform such maintenance. The need to perform maintenance and levy the charges will be at the discretion of the Committee.

In this regard, it is specifically provided that if additional residential subdivision areas are duly annexed to the aforementioned subdivision in the manner herein provided, the officers and directors of the Association shall be entitled to combined maintenance charge moneys received from lots situated in the several subdivision areas it may be serving into a single fund and provide and pay for services on behalf of all subdivision areas being served by the Association without the necessity of any allocation to particular lots or subdivision areas. The owner of each lot affected hereby shall be deemed to have agreed to this provision by his acceptance of a conveyance or other transfer of title to such lot.

There has been no dedication of recreational common area and recreational common area facilities in conjunction with the development of the aforementioned subdivision. Should common area be acquired, each Lot Owner shall have a right and easement of enjoyment in and to any common area which may be subsequently acquired or annexed to the aforementioned subdivision and dedicated for the use and enjoyment of the members of the Association, which right and easement shall be appurtenant to and shall pass with the title to each lot, subject to the following:

- (a) the right of the Association to charge reasonable admission and other fees and to establish reasonable rules and regulations covering the use of the common area and any recreational facility situated upon the common area;
- (b) the right of the Association to suspend a member's voting rights and rights to the use of the common area and any recreational facilities thereon for period of time during which any fees or assessments against such member's lot remain unpaid, and to suspend such rights for a period not to exceed sixty (60) days for any infraction of the Association's published rules and regulations;
- (c) the right of the Association to dedicate or transfer all or any part of the common area or any common area facilities to any public agency or authority having the same or similar purposes as the Association, subject to such conditions as may be reserved in the dedication or transfer. No such dedication or transfer shall be effective unless an instrument approving such dedication or transfer has been signed by at least sixty seven percent (67%) of the members in each class of membership in the Association and has been recorded; and
- (d) the right of any Lot Owner to delegate his or her right and easement of enjoyment in and to the common area and common area facilities to the members of his or her family, tenants or contract purchasers who reside on the property, in accordance with the By-Laws of the Association.

Without requirement of consent by membership of the Association, Declarant may, but is not required to, annex by recordation of a declaration of annexation executed by Declarant all or any portion of the property that adjoins or is adjacent to Coastal Wild Wood or adjoins or is adjacent to other property so annexed, including but not limited to real property located within the subdivision. Other additional residential subdivision areas and common areas may be annexed to

the Association with the consent of sixty-seven percent (67%) of the votes of each class of membership of the Association.

A lien is hereby established on the lots subject to these Restrictions to secure the payment of the maintenance charge established hereby, and all present and subsequent owners of said lots should convey such lots with an appropriate reference to the recordation of these Restrictions in the Official Public Records of Real Property of Aransas County, Texas, together with a recitation that said lien has been retained on each lot for the benefit of the Association. The owner or owners of any lot subject to these Restrictions shall be deemed to have covenanted and agreed to pay the aforesaid maintenance charge by acceptance of a conveyance or other transfer of title to such lot, even though the reference and recitation referred to above is not made. Each Class "A" owner acknowledges the lien for assessments created herein was in existence prior to the acquisitions of a lot by such Class "A" member. Upon the transfer of ownership of any lot, the Seller and Buyer of said lot must promptly notify the Association of the name and mailing address of the new owner; a transfer fee, not to exceed seventy-five dollars (\$75.00), adjusted at the same rate as the annual maintenance charge, may be charged if such fee is approved by the Board of Directors. The address for mailing documents to the Association is and may be changed by recording of notice in the Official Public Records of Real Property in Aransas County, Texas.

The aforesaid lien shall secure payment of the maintenance charge and all past due interest which may accrue thereon, together with all reasonable expenses, costs, and attorney's fees which may be incurred in connection with the collection thereof. Said lien shall run with the land and be a continuing charge on the land assessed, and shall also be a personal obligation of the owner(s) of each lot.

Every person or entity owning of record either the entire fee title or any undivided interest in the fee title to any residential lot situated in the aforementioned subdivision, or in any other area duly annexed thereto and brought under the jurisdiction of the Association as hereinafter provided, shall be a member of such corporation. The foregoing is not intended to include persons or entities holding an interest in a lot merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of such lot.

The Association shall have two classes of members with voting rights as follows:

Class "A" Members shall be all of the owners, other than the Declarant, of residential lots situated in the aforementioned subdivision and in any other area duly annexed thereto, as hereinafter provided. Voting rights of Class "A" members shall be limited to one (1) vote for each lot owned. If any lot is owned by more than one person or entity, all such persons or entities shall be members and the vote to which such lot is entitled shall be exercised as the owners of such lot may determine among themselves.

Class "B" Members shall be Declarant and any successors, assigns, or substitute Declarant, as provided herein. The Class "B" member shall be entitled to five (5) votes for each residential lot owned until such time as the total votes outstanding the Class "A" membership equal or exceed the total votes outstanding in the Class "B" membership, or on December 31, \_\_\_\_\_, whichever date occurs the earliest. After the earliest to occur of the foregoing dates, the voting rights of the

Class "B" membership shall be automatically converted to one (1) vote for each lot owned, the same as the Class "A" membership. It is specially provided, however, that at any time other subdivision area are duly annexed to the aforementioned subdivision in the manner hereafter set out, the voting rights as to lots owned by the Class "B" membership shall (if previously converted to one vote per lot) automatically revert to five (5) votes for each lot owned until such time as the total votes outstanding in the Class "A" membership throughout the aforementioned subdivision and any duly annexed area, collectively, shall equal or exceed the total votes outstanding in the Class "B" membership throughout such total area, or until December 31, \_\_\_\_\_, whichever date occurs the earliest, at which time Class "B" voting rights shall be automatically converted to one (1) vote for each lot owned. The initial Board of Directors of the Association has been or will be appointed by Declarant and was to be composed of \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_.

Further, Declarant may remove appointed directors and appoint successor directors at any time.

The aforesaid appointed Board of Directors shall hold office until such time as at least thirty four percent (34%) of the lots in the aforementioned subdivision are owned by persons or entities other than the Declarant of such subdivision, at which time the appointed members of the Board of Directors shall, as soon as practical, call a special meeting of only the Class "A" members of the corporation for the purpose of holding an election to replace one (1) of said appointed directors (the retiring director to be determined by Declarant), said director so elected to serve until the next regular annual meeting of the members of the corporation. The two (2) remaining appointed members of the Board of Directors shall continue to hold office until such time as the voting rights of the Class "B" membership of the corporation shall be automatically converted to the same voting rights as the Class "A" membership (as specified above and in the Articles of Incorporation), at which time the Board of Directors shall, as soon as practical, call a special meeting of all members of the corporation for the purpose of holding an election to select another director to replace one (1) of the two (2) remaining appointed members of the Board of Directors, said director so elected to serve until the next regular annual meeting of the members of the corporation. The then remaining appointed member of the Board of Directors shall continue to hold office until such time as the Class "B" members have sold to other persons or entities all residential lots in the aforementioned subdivision and in any other areas duly annexed thereto (as herein provided).

In case of the resignation, death or incapacity to serve of any appointed director during the period for which such director is to hold office, Declarant shall appoint a successor to serve the balance of the term of office of said director.

For so long as any board position is filled by an appointed director, the terms of office for elected members of the board shall be from the date of their election until the date of the next annual meeting; any elected director may be elected for consecutive and repetitive terms of office. Although annual meetings may not be held exactly one (1) year apart, the terms of office for those elected shall be deemed one year terms regardless of the dates of election and the following annual meeting. At the first regular annual meeting of the members after the Class "B" members have sold to Class "A" members all residential lots situated in the aforementioned subdivision (and in any other subdivision areas duly annexed thereto as hereinafter provided), at the next annual

meeting the members of the corporation shall elect at least one (1) director for a term of one (1) year, at least one (1) director for a term of two (2) years, and at least one (1) director for a term of three (3) years, and at each regular annual meeting thereafter the membership is dissolved, the members may elect to increase the number of directors to five (5).

In the case of the resignation, death or incapacity to serve of any of the aforesaid directors elected to office by the members of the corporation, a special meeting of the members entitled to elect such director shall be called to elect a successor to serve the balance of the term of said director.

Any director elected by the members of the corporation may be removed from the Board, with or without cause, by a majority vote of those members of the corporation who were entitled to vote for the election of such director, and in the event of such removal of director, a successor shall be elected to serve for the unexpired term of such removed director by a special election to be held by those members of the corporation who were entitled to vote for the election of the director so removed.

No director shall receive compensation for any service he/she may render to the corporation. However, any director may be reimbursed for his actual expenses included in the performance of his/her duties.

The By-Laws of the aforesaid corporation shall provide that any and all members of the Association shall have the right to inspect the financial books and records (with the exception of any personal files of each member, for which disclosure may be prohibited by the Fair Debt Collection Act or other rule of law) of said corporation at its principal offices at all reasonable times.

If the corporation provided herein should dissolve for any reason, the ownership of any common area and Association property shall immediately be conveyed to the owners of all lots within the subdivision in equal shares based upon a per lot distribution of an undivided interest, UNLESS the Board of Directors has, with appropriate board resolution, conveyed the common area, if any, and Association property to a municipality or other governmental entity for public use.

#### **ARTICLE 23. RIGHTS OF MORTGAGEES**

It is specially provided that the lien hereby created to secure the payment of maintenance charge specified in these Restrictions shall be subordinate to and shall not affect the enforcement of any vendor's lien or deed of trust lien now of record or which may hereafter be placed of record against any lot covered hereby and/or any improvements located thereon. However, such lots shall nevertheless remain subject to said maintenance charge, and the sale or transfer of any lot pursuant to foreclosure of any such superior lien shall extinguish the lien securing the maintenance charge only as to any maintenance charge attributable to such lot for the period of time prior to such sale or transfer, and said lien shall apply on a pro rated basis by calendar days thereafter.

#### **ARTICLE 24. TERM OF RESTRICTIONS**

These Restrictions are to run with the land and shall be binding upon and inure to the benefit of the Declarant and the Association, their respective successors and assigns, and all future owners of the residential lots located in the aforementioned subdivision until December 31<sup>st</sup> of the year \_\_\_\_\_ A.D. The afore described initial term of these restrictions shall be extended automatically after the expiration thereof for a successive period of ten (10) years duration each unless an instrument revoking these Restrictions, in whole or in part, is recorded in the Official Public Records of Real Property of Aransas County, Texas at least six (6) months prior to said initial expiration date or the expiration of any ten (10) year extension period. Any such instrument of revocation must be executed by the then owners of at least sixty-seven percent (67%) of the collective number of restricted lots situated in the aforementioned subdivision and any other residential subdivision area which has been duly annexed thereto as specified herein.

#### **ARTICLE 25. ENFORCEMENT OF RESTRICTIONS**

Lot Owners, the Board of Directors of the aforesaid Association, Declarant (until all lots subject hereto have been sold or otherwise conveyed to persons or entities other than commercial homebuilders) and/or the Association itself shall all have the right, power, and authority, without requirement of joinder of the other, to file suit for damages or for injunction, mandatory or prohibitory, to compel compliance with the provisions of these Restrictions. Also, the Association, acting through its Board of Directors, shall have the right to bring an action at law to foreclose the lien hereby established to secure the payment of the aforesaid maintenance charge or special assessment of any kind if any Lot Owner fails to cure any such default within thirty (30) days after notice thereof from the Association. Notice shall be deemed given three (3) days after deposit in the United States Postal system, postage prepaid, written notice, or when actual written notice is delivered, whichever first occurs. The plaintiff in any of the aforescribed proceedings shall be entitled to recover from the defendant in such actions all reasonably necessary costs and expenses attendant upon bringing such action, including reasonable attorney's fees. The foregoing provision for recovery of costs, expenses, and attorney's fees shall be deemed to have been agreed to by the owner (s) of any lot covered hereby acceptance of a conveyance or other transfer of title to such lot.

Invalidation on one or more of the provisions of these restrictions, by court order or otherwise, shall in no way effect any other provision hereof, and all such remaining provisions not expressly invalidated shall continue in full force and effect.

**Prior Lien.** All sums assessed in the manner provided in this Article but unpaid shall, together with interest as provided herein and the cost of collection, including attorneys' fees as herein provided, thereupon become a continuing lien and charge on the Lot covered by such Assessment, which shall bind such Lot in the hands of the Owner, and such Owner's heirs, devisees, personal representatives, successors or assigns. The obligation to pay assessments hereunder is part of the purchase price of each Lot when sold to an Owner, and an express vendor's lien is hereby retained to secure the payment of the assessments or charged hereby levied, and is hereby transferred and assigned to the Association, which lien shall be enforceable through appropriate judicial and non-judicial proceedings by the Association. Additionally, a lien with a power of sale is hereby granted and conveyed to the Association to secure the payment of such assessments. The aforesaid lien shall be superior to all other liens and charges against the

said Lot, except only for tax liens, all sums unpaid on a Mortgage lien of record, or sums borrowed for the improvement of the Lot in question. The Association shall have the power to subordinate the aforesaid Assessment lien to any other lien. Such power shall be entirely discretionary with the Board and such subordination must be signed by a duly authorized officer of the Association. The sale or transfer of any Lot shall not affect the assessment lien.

**Filing of Lien Affidavit.** To evidence the aforesaid Assessment lien, the Association may prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice shall be signed by one of the officers of the Association and may be recorded in the office of the County Clerk of Aransas County, Texas. Such lien for payment of Assessments shall attach with the priority above set forth from the date that such payment becomes delinquent and may be enforced by the foreclosure on the defaulting Owner's Lot by the Association in like manner as a mortgage on real property subsequent to the recording of a notice of Assessment lien as provided above, or the Association may institute suit against the Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien judicially. In any foreclosure proceeding, whether judicial or not judicial, the Owner shall be required to pay the costs, expenses, and reasonable attorneys' fees incurred. The Association shall have the power to bid on the Lot at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey, or otherwise deal with the same.

**Notice to Mortgagees.** Upon the written request of any Mortgagee, the Association is authorized to report to said Mortgagee any unpaid Assessments remaining unpaid for longer than 30 days after the same are due.

**Power of Sale.** As additional security for payment of the assessments hereby levied, each Owner of a Lot in the Property, by such party's acceptance of a deed thereto, hereby grants the Association acting by and through its President as Trustee, and such successor or substitute Trustees as may be appointed by the Board, a lien on such Lot which may be foreclosed on by non-judicial foreclosure and pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such Owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of a written instrument executed by the President or any Vice President of the Association and filed for record in the Official Records of Aransas County, Texas. In the event that the Association has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association shall first send to the defaulting Owner written notice by certified mail stating that such Owner is in default with respect to the payment of said Assessments under this Declaration and giving such Owner twenty (20) days to cure the default, and if said default is not cured within said time, to then send to the defaulting Owner a copy of the notice of Trustee's Sale not less than twenty-one (21) days prior to the date of which sale is scheduled by posting such notice through the U.S. Postal Service, postage prepaid, certified, return receipt requested, properly

addressed to such Owner at the last known address of such Owner according to the records of the Association. If required by law, the Association or Trustee shall also cause a copy of the Notice of Trustee's Sale to be posted at the courthouse door of Aransas County, Texas, and also filed for record in the Official Records of Aransas County, Texas. Out of the proceeds of such sale, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount of default; third, any amounts required by law to be paid before payment to the Owner; and, fourth, the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder.

**Additional Remedies.** In addition to foreclosing the lien hereby retained, in the event of nonpayment by any Owner of such Owner's portion of any assessment, the Association may, upon 10 days prior written notice thereof to such nonpaying Owner, in addition to all other rights and remedies available at law or otherwise, restrict the rights of such nonpaying Owner to use the Common Areas in such manner as the Association deems fit or appropriate and/or suspend the voting rights of such nonpaying Owner so long as such default exists.

**Enforceability.** No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or abandonment of its Lot. In addition to the above, rights, the Association shall have the right to refuse to provide the services of the Association to any Owner who is delinquent in the payment of the above described assessments.

**Binding on Owner.** Each Owner further, by acceptance of a deed to a Lot, hereby expressly vests in the Association or its agents, the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce such lien by all methods available for the enforcement of such liens, including non-judicial foreclosure pursuant to applicable law, and each Owner hereby grants to the Association a power of sale in connection with such lien.

**Subordination of the Lien to Mortgages.** The lien securing the payment of the Assessments shall be superior to any and all other charges, liens or encumbrances which may hereafter in any manner arise or be imposed upon any Lot, whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage or other instrument, except for:

- (1) liens for taxes, assessments and other levies by governmental and taxing authorities which, by applicable law, are made superior to the Association's lien;
- (2) liens for all sums unpaid under a first and superior mortgage, vendor's lien, deed of trust or home equity security instrument made in good faith and for value and duly recorded prior to the date on which Assessments against the Lot were levied; and

(3) (3) such other liens about which the Board may, in the exercise of its reasonable discretion, elect to voluntarily subordinate the Association's lien.

All other lienors acquiring liens or encumbrances on any Lot after recordation of this Declaration shall be deemed to consent that such liens or encumbrances are inferior to the lien provided for herein to secure the payment of future Assessments, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances. Notwithstanding the foregoing, the Assessment lien provided for herein shall be prior and superior to any declaration of homestead recorded after recordation of this Declaration, unless such priority over homestead shall be prohibited by law. Any sale by a prior lien holder shall not relieve such Lot from liability for the amount of any Assessment thereafter becoming due, nor from the lien of any such subsequent Assessment. This subordination shall not apply where the first mortgage or deed of trust is used as a device, scheme or artifice to evade the obligation to pay Assessments or to hinder the Association in performing its functions hereunder.

#### **ARTICLE 26. ASSIGNMENT BY DEVELOPER AND MAINTENANCE ASSOCIATION**

The Declarant may, at any time, assign to the Association any and all rights reserved to Declarant, except the right to annex certain properties as provided in Article 30. Any assignment shall be evidenced by an instrument in writing recorded in the Official Public Records of Real Property of Aransas County, Texas. If not previously assigned, all such rights reserved to Declarant hereunder shall automatically vest in the Association when all lots covered by these Restrictions have been sold or otherwise conveyed from Declarant to other persons or entities, except the right to annex certain properties as provided in Article 29.

The Association may at any time assign or delegate to a committee or designated representative any and all approval rights reserved to the Association hereunder. Any such assignment or delegation shall be evidenced by a resolution of the Board of Directors of the Association.

Declarant reserves the right in its sole discretion to amend these Restrictions without the consent of owners so long as Class "B" membership exists, where such amendment is for a correction or clarification of the Declaration to achieve its intended purposes or to correct scrivener's errors.

#### **ARTICLE 28. ANNEXATION AND SPECIAL CONSENTS**

**1. ADDITION TO PROPERTY.** Additional lands may become subject to this Declaration in the following manners:

(a) Additions by Declarant. The Declarant, its successors and assigns, shall have the right to bring within the scheme of this Declaration, without the consent of members, additional properties in future stages of the development, within ten (10) years from the date of this instrument; provided that such additions are adjacent or adjoining the Coastal Wild Wood or other property previously annexed, including but not limited to real property located within survey Aransas County, Texas. Declarant, its successors and assigns, shall not be bound to make any additions to the property. Any additions authorized under this and the succeeding subsections shall be made by filing of record a Declaration of Covenants, Conditions, and Restrictions or similar instrument with respect to the additional property, which shall extend in the general scheme of the Covenants and Restrictions of these Declarations to such property, and the execution thereof by the Declarant shall constitute all requisite evidence of the required approval thereof. Such document may contain such complimentary additions and/or modifications of the Covenants and Restrictions contained in this Declaration as may be applicable to the additional lands and are consistent with the overall development. The document may provide for different residential land uses. In no event, however, shall any such instrument be construed so as to revoke, modify or add to the Covenants established by this Declaration, as they are applicable to Coastal Wild Wood. Change was discussed with all participants present, and approved.)**

(b) Other Additions. The owner of any property, who desires to add to the scheme of this

Declaration and to subject it to the jurisdiction of the Association, may make written submission to the Association together with the following:

- (1) The proposed property shall be described by size, location, proposed land use, and general nature of proposed private improvements;
- (2) The proponent shall describe the nature and extent of common facilities to be located on the proposed property and fully describe any mortgage debt related to the common facilities or other debt which he seeks the Association to assume; and
- (3) The proponent shall state that the proposed additions, if made, will be subject to the general scheme of this Declaration and all Association assessments.

Upon such submission and subject to the Association's later review and approval of a proposed form of Declaration of Covenants, Conditions, and Restrictions for the proposed property, the Association shall vote by class on the proposal. Approval by sixty seven percent (67%) of the total votes of each class of membership shall be required for approval. If the proposed property shall be approved for addition to the jurisdiction of the Association, such addition shall be complete upon the proponent's filing of record a Declaration of Covenants, Conditions, and

**Enforcement and Nonwaiver** Except as otherwise provided herein, any Owner at his own expense, Declarant, the Architectural Committee and/or the Association shall have the right to enforce all of the provisions of these Restrictions. Such right of enforcement shall include both damages for, and injunctive relief against, the breach of any such provision. The failure to enforce any provision of the Restrictions at any time shall not constitute a waiver of the right thereafter to enforce any such provision or any other provision of said Restrictions. The Association shall have the right, when appropriate in its judgment, to claim or impose a lien upon any Lot or Improvement constructed thereon in order to enforce any right or effect compliance with this Declaration.

**Construction** The provisions of the Restrictions shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision or portion thereof. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine or neuter shall each include the masculine, feminine and neuter. All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise effect that which is set forth in any of the paragraphs, sections or articles hereof. ANY OWNER ACQUIRING A LOT IN RELIANCE ON ONE OR MORE OF SUCH COVENANTS, TERMS OR PROVISIONS SHALL ASSUME ALL RISKS OF THE VALIDITY AND ENFORCEABILITY THEREOF, AND BY ACQUIRING SUCH LOT AGREES TO HOLD DECLARANT HARMLESS THEREFROM.**

**Mediation and Arbitration ("ADR")**

(a) **Initiation.** Except for temporary restraining orders, other injunctive relief and the judicial foreclosure of liens, to the maximum extent allowed by law and irrespective of the form of relief sought, any claim, litigation, proceeding, controversy or dispute (each a "*dispute*") with respect to the Restrictions as between any of the following Persons: Owners; Members; the Board; the Architectural Committee, officers of the Association; or the Association (including, without limitation, any alleged tort related hereto) or the activities associated herewith, shall be submitted to and resolved by ADR as herein provided. Such ADR shall be the sole remedy with respect to such dispute.

(b) **Mediation.** Prior to arbitration, the parties shall attempt in good faith following notice by one party to the other of a dispute, which notice is entitled "*Notice of Dispute*," to resolve the dispute, and the parties agree to use the following mediation procedures prior to either party pursuing arbitration. A meeting shall be held promptly between the parties, attended by individuals with decision-making authority regarding the dispute, to attempt in good faith to negotiate a resolution of the dispute. The Board shall maintain a list of potential Facilitators, but the parties will be in no way limited to their choice by this list. If, within 10 days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will jointly appoint a mutually acceptable neutral person not affiliated with either of the parties (the "*Facilitator*"), seeking assistance in such regard from the American Arbitration Association ("*AAA*") if they have been unable to agree upon such appointment within 10 days from the initial meeting.

(c) The fees of the Facilitator shall be shared equally by the parties. In consultation with the Facilitator, the parties will select or devise an alternative dispute resolution procedure ("*ADR*") by which they will attempt to resolve the dispute. The Facilitator shall make the decision as to the ADR procedure, and the place and time of the ADR, not later than 10 days after selection of the Facilitator, unless circumstances require otherwise. The parties agree to participate in good faith in ADR to its conclusion as designated by the Facilitator. All meetings and proceedings shall be in Aransas or Nueces County at a location mutually selected by the Facilitator.

(d) **Arbitration.** If the parties are not successful in resolving the dispute through Mediation, then the parties agree that the dispute shall be settled by binding arbitration. The party invoking arbitration shall do so by sending to the other party a notice called "*Notice of Arbitration*." In such cases, the dispute shall be settled and finally determined by arbitration in accordance with the Rules of Commercial Arbitration of the American Arbitration Association. Any arbitration pursuant to this Section shall be conducted by one (1) arbitrator, and the arbitration proceeding shall be held in Corpus Christi, Texas. The parties shall mutually select the arbitrator. If the parties are unable to agree upon an arbitrator within 10 days of the sending of a Notice or Arbitration, the arbitrator shall be chosen in accordance with the AAA Rules from a panel of individuals, each of whom shall be required to have at least 10 years of real estate experience in Corpus Christi or Rockport, Texas, and none of whom may have or had an affiliation, past or present, with the parties.

The costs of the arbitration shall be allocated as determined by the arbitrator. The arbitration shall begin as promptly as possible after the designation of the arbitrator, and the parties agree to use their best efforts to effectuate a resolution of the claim within 90 days from the date of the

designation of the arbitrator. A copy of the decision of the arbitrator shall be signed and given to each of the parties thereto. Judgment upon any arbitration award may be entered in any court having jurisdiction. Any party may bring an action to compel arbitration of any dispute in any court having jurisdiction over such matter. All statutes of limitations that would otherwise be applicable shall apply to any disputes asserted in any arbitration proceeding.

The arbitrator shall have the right to award monetary damages, to grant temporary or permanent injunctive relief, to require specific performance, and to award any remedy or relief which a court could order as to the dispute. The arbitrator may hear and determine the controversy upon the evidence produced notwithstanding the failure of a party duly notified to appear. The arbitrator may adjourn a hearing from time to time as the arbitrator deems necessary. All parties agree to cooperate fully to have the arbitration completed as expeditiously as possible. All parties shall have the right to representation by counsel at any stage of the proceedings. The arbitrator shall require witnesses to testify under oath administered by any duly qualified person. The parties may provide the arbitrator with briefs on matters which they believe to be beneficial to the arbitrator. Copies of any such briefs provided to the arbitrator shall be provided by the party to the opposing party or his counsel. The arbitrator shall determine the period of time in which parties will have to respond to any such brief filed by their opponent. The arbitrator will preside at the hearing and rule on the admission and exclusion of evidence as well as questions of procedure. The arbitrator may exercise all powers conferred by statute and by these Restrictions. The hearing will be conducted as if it were an informal court trial. At the arbitration hearing, the parties shall be entitled to be heard, to present evidence material to the controversy and to cross-examine witnesses appearing at the hearing. The evidence will include testimony of persons having knowledge of relevant facts any expert witnesses. Deposition testimony may be offered in lieu of live testimony. Deposition testimony of parties or witnesses may be admitted for evidentiary or impeachment purposes. Documentary evidence, compilations, charts, photographs and other demonstrative exhibits may also be presented at the hearing. Witnesses may be called live or via telephone. The Texas Rules of Evidence and Procedure regarding the presentation and admissibility of evidence will generally but not strictly govern the arbitration proceeding, and the arbitrator may consider any relevant and material evidence, at the arbitrator's discretion. The arbitrator shall be the sole judge of the relevance and materiality of the evidence offered, and the arbitrator may consider all material and testimony presented, as the arbitrator shall consider appropriate. The provisions of Chapter 171 of the Texas Civil Practice and Remedies Code will apply to the arbitration and the arbitrator may issue subpoenas for the attendance of witnesses. Any party desiring a stenographic record shall make arrangements directly with a stenographer and shall notify the other parties of this arrangement in advance of the hearing. The requesting party shall pay the cost of the record. If the transcript is agreed by all parties, or determined by the arbitrator, to be the official record of the proceeding, the record must be made available to the arbitrator and to the other parties for inspection, at a date, time, and place determined by the arbitrator, but in that event, the parties shall share in the costs as determined by the arbitrator. The arbitrator and the parties shall maintain the privacy of the arbitration. The arbitrator shall have the power to require the exclusion of any witness, other than a party or other essential person, during the testimony of any other witness. It shall be discretionary with the arbitrator to determine the propriety of the attendance of any other person at a hearing. It is not necessary that the arbitrator make a specific and detailed findings of fact and conclusions of law. All monetary awards or grants of other affirmative relief shall be paid or satisfied within 30 days from the date

of the issuance of the award. If any dispute subsequently arises from and relating to the arbitration or regarding the arbitrator's award or the enforcement thereof, the parties agree to submit said dispute to the arbitrator for resolution.

IN WITNESS WHEREOF, Declarant has executed this Declaration on this the twenty-third day of May, 2006.
